QUOTES TO PONDER

"In their lives, those women experienced Easter as a Pasch, a passage. They pass from walking sorrowfully towards the tomb to running back with joy to the disciples to tell them not only that the Lord is risen, but also that they are to set out immediately to reach a destination, Galilee."

— Pope Francis (Easter Vigil Homily)

"Yet today, brothers and sisters, the power of Easter summons you to roll away every stone of disappointment and mistrust. The Lord is an expert in rolling back the stones of sin and fear. He wants to illuminate your sacred memory, your most beautiful memory, and to make you relive your first encounter with him."

— Pope Francis (Easter Vigil Homily)
