### QUOTES TO PONDER

"Our Lady will help all of us in this, since she was the first person to hear Jesus's cry, "I Thirst" with St. John, and I am sure Mary Magdalene. Because she was there on Calvary, she knows how real, how deep His longing for you and for the poor. Do we know? Do we feel as She? Ask her to teach you Before it was Our Lady pleading with Mother, now it is Mother in her name pleading with you — "Listen to Jesus's thirst."

— St. Teresa of Calcutta, Varanasi Letter

### LECTIO DIVINA
